

Melissa Kay Photography

Hello!

Hi There!

I'm Melissa Kay, but you can call me Kay- everyone does!

First of all, let me congratulate you both on your engagement!

Thank-you so much for considering me as your wedding photographer! As I'm sure you will have seen, my 'style' is to capture those special moments on your wedding day, from the initial excitement of getting ready, right up to the silly dancing at the end of the evening, naturally, honestly and beautifully, with a little touch of quirky thrown in for good measure!

I want to deliver you a package full of awesome memories once the last crumbs of the cake have been eaten, the confetti has been swept up and the dress has been lovingly packed away...

Take a peek at the packages and see which suits your needs best. Of course, all weddings are unique, so of course I am also more than happy to sit down with you and tailor a specific package to your needs, so feel free to give me a call and we can meet for a cuppa and a chat about your big day!

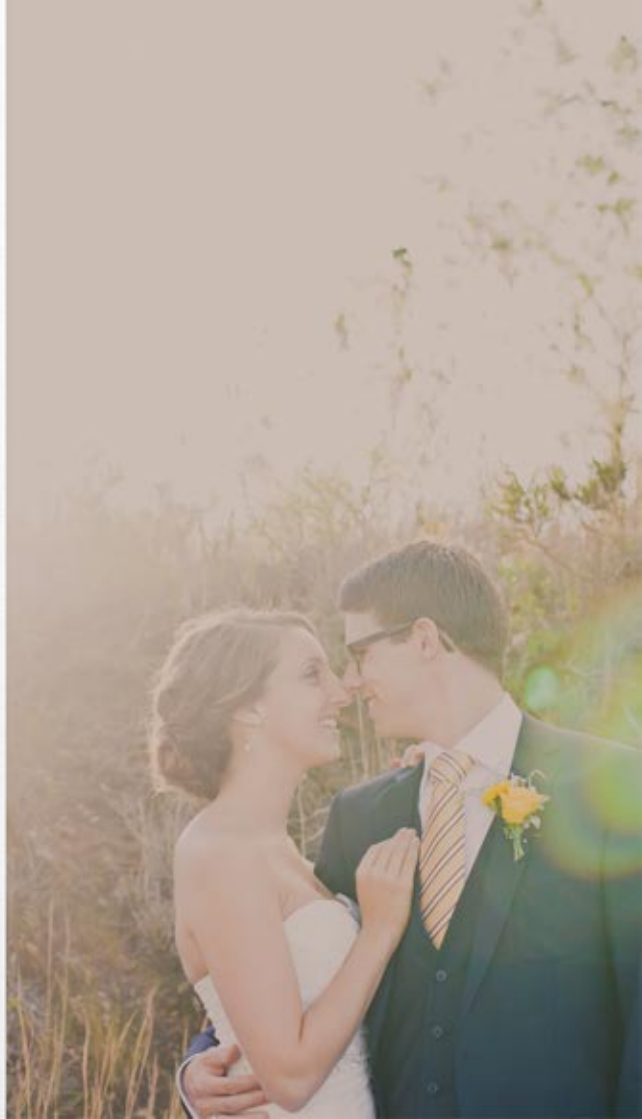

Looking forward to meeting you soon!
