***It might be helpful for you to know that the hours of coverage booked can be used to cover any part of your wedding day celebrations not just the suggested coverage in the pricing table below.***

I also offer wedding album gift certificates if you are looking for wedding present ideas.

I try to be as flexible as possible so if your wedding runs over schedule and you need me to take additional photographs for 10-15 minutes over the time booked this is not a problem.

The prices above reflect not just the hours of work booked for coverage of your wedding day but preparation of my three professional cameras, a large selection of professional lenses, flashes and other equipment prior to the photographic shoot, travel time and costs to and from your wedding venue from my East Midlands, West Midlands and Wales offices within a 40 mile radius on discounted and bookings and 65 miles on brochure price bookings (.40p a mile charged outside of the inclusive travel radius to cover my petrol costs), unlimited wedding planning and telephone consultations to ensure your wedding is covered to your personal requirements, the checking of every image provided to you, with editing if required, to ensure the very best quality for you, the sorting of your images into folders representing each aspect of your special day for easier viewing and album planning, creation of bespoke on body graphic designs for your DVDs, the copying of your images onto DVD and checking of the copies plus Royal Mail or Courier recorded or personal delivery of your wedding materials to a UK address of your choice.

I also offer private on line display of your wedding images with free downloads for relatives and friends at prices from just £65 extra. Please see my website for more details: <http://www.professional-wedding-photography.biz/additionalservices>

I am not VAT registered so there is no additional 20% to add to the prices I have quoted you and I only require a £50 deposit to take a booking and keep the time you need me for free of other commitments, with the remainder of the coverage costs minus your £50 deposit, not due until 30 days before your wedding date or payable in instalments if preferred via cheque or bank transfer with e-mail receipts and a breakdown of remaining costs for each payment included at no extra charge to you. Deposits are non-refundable because when I book a client's wedding coverage I keep the time they need me for free of other commitments and will not accept any other work at that time, should a client later cancel I will not be able to recoup any alternative work offered, so I hope you understand.

My Coverage prices are pretty much inclusive of costs:

- DVDs of your wedding day images are provided in colour and in full resolution with copyright for you to print and share my images for your own personal non-commercial use and to make albums independently if you do not want one off me.
- The DVDs come with bespoke designs printed on them in colour and created by me from your details and wedding images and the DVDs are enclosed in a shell presentation cases.
- All of your wedding day images are checked individually and edited if required to ensure you the best quality and the images are sorted into folders representing each aspect of your special day, ensuring you easier viewing and album planning.
- I aim to provide you with a selection of images from each group or individual scenario I photograph of you and your relatives and friends whenever possible so that you can choose the picture you like best unless you prefer me to choose the best of each group shot for you.
- My travel to wedding venues is included within a 40 mile radius of my nearest offices which are in the **West Midlands** at Glasbury on Wye, Hereford HR3, in **Wales** near Brecon Powys LD3 and in the **East Midlands** at Belper, Derbyshire DE56 (a 65 mile travel radius is included when photography is booked at brochure prices) with additional mileage charges at just .40p a mile thereafter to cover fuel costs.
- Royal Mail or Courier recorded or personal delivery of your wedding materials to a UK address of your choice.
- Pre-wedding photographic consultations (on the phone or via Skype on discounted bookings) to ensure your wedding coverage is exactly as you want it plus a specialist wedding bookings form to help me plan your wedding coverage and a helpful document with suggestions for your wedding photographs (forms are usually sent via e-mail).
