*The Art of Capturing Memories*

I offer the following Wedding/Civil ceremony photography packages across North Wales and beyond in a choice of formal or documentary style (also known as Reportage) or a mixture of both. Limiting the formal shots to just a few ensures your day flows without interruption and enables you to spend more time with your guests.

- Photography from Bridal preparation up until the start of the reception to include a "staged" cake cutting ceremony.
  - Unlimited photos taken during my time with you.
  - Fully edited, high resolution files in a mixture of colour and black and white, all presented on a memory stick in a display box.
  - Printing rights for all the images on the memory stick for personal use only.
  - Private online gallery for 3 months after the wedding for your family and friends to view and order from.
  - All this for only £499.00.
  - Photography into the evening up until the first dance – if required will cost an extra £150.00.

A second photographer service is available – subject to availability and will cost an extra £250. This service is highly recommended and ensures that your day is captured in its entirety to include the Groom getting ready and for capturing those candid moments that may be missed if only one photographer is present.

All that is required is a 30% deposit to confirm your date. The balance is due 4 weeks before the wedding.

Weddings outside North Wales/UK will cost the same as weddings within North Wales but travel/accommodation charges will apply.
