**Engagement shoot** - All packages include an engagement shoot. Your engagement shoot is a relaxed day out where we get to chat, exchange ideas and take a few snaps in the process. This is included in all packages and is an essential part of what I do for your wedding, it's about us getting to know one and other. I get to know the kind of pictures you like, ideas you have and you get used to my style of photography and direction well ahead of your wedding day. When it comes to the day of the wedding we both know what to expect allowing the day to flow in a much more unobtrusive and relaxed manner.
