- Thirty six 6x4in prints in the box with your USB.
- Private online gallery for you and your guests to view and order prints/enlargements from should you wish.

This collection is not available outside North Wales.

As choosing your photographer is a big decision, I'll hold your date for seven days after the initial consultation/receipt of booking form. If the booking fee isn't received within that time, the date will be made available to others. The booking fee will be deducted from the final balance which becomes due four (4) weeks before the wedding.
